

# Juan Carlos Hinojosa Peredo

☎ (+52) 55 4443 1201 ✉ juanhinojosa23@gmail.com 📍 Mexico City, Mexico

## EDUCATION

### Instituto Tecnológico Autónomo de México (ITAM)

B.S., Finance

Mexico City, Mexico

August 2015 - December 2020

- **Relevant Coursework:** Corporate Finance, Fixed Income, Financial Modeling, Intermediate Accounting, Finance Theory, Economic Theory, Statistics & Econometrics, Derivatives Pricing Theory

## EXPERIENCE

### FGA Investment Banking

Analyst

Mexico City, Mexico

May 2021 - Present

- Supported partners and associates in different M&A, capital raising and fairness opinion projects, simultaneously and always delivered on time and meeting quality expectations
- Developed and updated various valuation models, based on various methodologies such as Discounted Cash Flows, Trading Multiples and Precedent Transactions, which served as the basis for decision-making for clients and partners
- Prepared important documents such as Confidential Information Memorandums, Pitch Decks, Blind Teasers, among others, which were then presented to potential investors

Intern

November 2020 - April 2021

- Participated in the development and elaboration of a monthly newsletter containing analysis of industry multiples, relevant transactions, public offerings and other relevant information for clients and investors
- Achieved a decrease in newsletter elaboration time by building tables and charts that update automatically, using **Capital IQ Excel**

#### Plug-in

- Helped in updating and building financial models, and learned how valuation works in practice
- Learned to structure and prepare documents for clients and investors such as Blind Teasers and Pitch Decks
- Helped in various support tasks for the firm's analysts and associates, such as gathering financial information and conducting industry research

### Grupo CUAM

Accounting Assistant

Mexico City, Mexico

February 2019 - August 2019

- Was in charge of submitting accounting entries in *CONTPAQi* software
- Kept track of deposits and loans from employees in the company's savings bank

### Centro de Investigación Económica ITAM (CIE ITAM)

Social Service

Mexico City, Mexico

July 2018 - January 2019

- Helped updating data bases in Microsoft Excel for the "*Supercenter: Walmart's Expansion and Households Diet*" research study directed by *Dr. Emilio Gutiérrez Fernández*
- Learned that apparently insignificant data can be very useful when analyzed as part of a whole
